Rolling Knolls Landfill CAG Formation Steps and Operating Principles

CAG Mission Statement: *The mission of the Rolling Knolls Community Advisory Group is to facilitate community stakeholder participation in the Superfund cleanup process and planning for the site's future use, and to ensure all cleanup is adequately protective of human health and the environment and provides ecological revitalization.*

Steps	Status / Timing	
1. Determine need for a CAG	Completed 9/17/18	Participants indicated clear consensus in support of establishing a CAG at this time.
2. Establish initial membership	Partially completed 9/17/18	Initial membership self-selected during 9/17 meeting and by prior/subsequent expression of interest.
3. Select leadership	Completed 9/17/18	Participants recommended that Sally Rubin, Executive Director of the Great Swamp Watershed Association serve as the CAG Chair.
4. Establish member and resource stakeholder roles	Completed 10/29 and 12/3	<p>Agreed on member/technical resource roles on 9/17.</p> <p><i>Members currently include:</i> Property owners living near the site, Residents of local jurisdictions, Representatives of organizations, Other regional stakeholders</p> <p><i>Technical Resources/Involved Agencies:</i> USEPA, NJDEP, U.S. Department of Interior, PRP group representatives, U.S. Fish & Wildlife Service, municipal elected officials, TASC technical advisor, and CAG facilitator.</p>
5. Establish guiding principles/bylaws See October 29 CAG meeting summary (pages 4-6) [HYPERLINK "https://www.greatswamp.org/wp-content/uploads/2019/02/CAG-minutes-10-29-18.pdf"]	To be reviewed 5/13	<p><i>Items discussed 10/29 and 12/3</i></p> <p>Mission statement Member expectations Internal/external communications Discussion ground rules Meeting space and structure</p>
6. Organize, manage and run meetings	Ongoing	Meetings are held every other month, or as needed, on Mondays at 6:00pm at the Chatham Township Offices (58 Meyersville Road, Chatham, NJ)
